ECCD COUNCIL ADVISORY NO. 1 SERIES OF 2024

To : Provincial Social Welfare and Development Officers
City Social and Development Officers of Highly Urbanized Cities

Subject : Webinar re Utilization of National Early Learning (NELC)
Curriculum and the Learning Resource Packages (LRPs),
Volumes 1 - 8

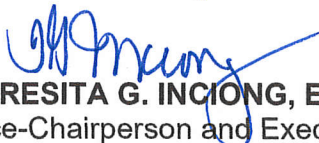

Date : January 3, 2024

In 2015, the ECCD Council Governing Board, through Resolution No. 15 – 02, approved the utilization of the National Early Learning Curriculum (NELC) and the Learning Resource Packages (LRPs) for Pre-Kindergarten (0 – 4 years old). The curriculum focuses on children's total development and take into account, age individual and socio-cultural appropriateness. It promotes the delivery of complementary and integrative services for health, nutrition, early childhood education, sanitation and cultural activities. The Learning Resource Packages for Pre-Kindergarten (0 – 4 years old) follows the global trend on creating learning resource to support the implementation of the ECCD Curriculum.

To oversee and enhance the ongoing application of the NELC and LRPs across provinces and Highly Urbanized Cities (HUCs), the ECCD Council is convening a webinar on January 12, 2024, from 9 am to 12 pm. This session aims not only to guide Local Government Units (LGUs) yet to implement the curriculum but also to monitor the progress of those LGUs already incorporating it. Additionally, this webinar marks the ECCD Council's collaborative endeavors with provinces and HUCs for calendar year 2024 aimed towards the delivery of quality ECCD programs and services.
