# ITED

The **Infant and Toddler Early Development Program** is an early learning program that involves both the **teacher and the parents and caregivers** of **0-2.11 years old children.**

The PreK programs use themes that are aligned with DepEd Kindergarten themes to help children transition from PreK to Kindergarten

# PreK

**PreK1** is an ECCCD program designed to provide developmentally appropriate experiences through play to children aged 3.0-3.11 years while **PreK2** targets children aged 4.0-4.11 years.

The NCDCs use the National Early Learning Curriculum that addresses the needs of 0-4-year-old children and their families
