City/Municipal Social Welfare and Development Officers**

**Subject : Guidance on Continued Provision of Early Learning Programs for 0 to 4
Years Old Children Offered by National Child Development Centers (NDCCs),
Child Development Centers (CDCs), Day Care Centers (DCCs) and Private
Learning Centers (PLCs)**

Date : January 14, 2022

In response to numerous queries on the continued provision of early learning programs for children 0-4 years old in the light of the current surge of COVID-19 cases, the Early Childhood Care and Development (ECCD) Council recommends that the National Child Development Centers (NDCCs), Child Development Centers (CDCs), Day Care Centers (DCCs) and Private Learning Centers (PLCs) be guided by the specific issuances of the local government units (LGU) where these Centers are located. These Centers are within the administrative supervision of the LGUs and shall observe and act in accordance within the local ordinances, issuances and advisories. Further, the LGUs are in a better position to assess the local health status of teachers and learners and issue appropriate ordinances, accordingly.
